Terms & Conditions

Economy Comfort™ seating is offered on Delta's two-cabin aircraft, subject to availability. Economy Comfort seating is limited and may not be available on all flights. Features differ slightly according to flight type/destination. Domestic flights offer up to 3 more inches of legroom and international flights offer up to 4 more inches than the standard coach seat. Seats purchased while onboard are not valid for Medallion discounts regardless of status or fare class. Complimentary spirits and increased recline are offered on international and transcontinental flights operating between JFK and LAX, SEA and SFO flights. Economy Comfort fees are charged per customer per segment. The Economy Comfort Medallion® travel companion benefit is applicable for up to eight companions traveling on the same reservation as the Medallion member. Gold Medallions and their travel companions receive Economy Comfort at no charge for Domestic travel and 50% off on International travel. Silver Medallions and their travel companions will receive a 50% discount for domestic travel and a 25% discount for international travel. Discounts are applied to the published per segment fee. Economy Comfort discounts are determined based on the customer's status at the time of purchase. We reserve the right to assign or reassign an Economy Comfort seat at any time, even after boarding of the aircraft, for operational, safety or security reasons. The final decision resides with the ground staff and the operating crew on the day of the flight. Refunds will be issued to any reassigned customer if the customer is not moved to a comparable or better seat. Effective for Economy Comfort seat purchases on and after May 2013, if a customer voluntarily changes his/her flight or seat selection once purchased, a refund for the original seat purchase will not be provided. All SkyMiles program rules apply to SkyMiles program membership, miles, offers, mile accrual, mile redemption and travel benefits, respectively.
